Subject: Lieutenant Governor's Ontario Heritage Awards - Suggestions for Nominations

Hello,

The Ontario Heritage Trust is currently seeking nominations for the 2019 Lieutenant Governor's Ontario Heritage Awards. The awards recognize outstanding contributions to identifying, preserving, protecting and promoting Ontario's heritage. Nominations in all categories are due October 18th with a short grace period for any supplementary materials (e.g. letters of support) that may accompany the nominations.

I'm reaching out this afternoon to ask if there are any local exceptional people or projects who fit the parameters of the awards that you'd recommend. Local adaptive reuse and built conservation projects, for example, are a fit for the Excellence in Conservation category (I will also note that architecture firms can self-nominate with endorsement from the real property owner where the work was conducted).

Nominations are completed online on the slideroom application portal at the following link: (<https://heritagetrust.slideroom.com/>). Please advise me if you'd like to learn more and if you have any recommendations on people or projects in your community. Thank you for your consideration.

Best,

David Leonard | Community Programs Officer (A)
Ontario Heritage Trust
